

Include an unmatched level of appeal and sophistication to your line by adding Urban Hardscapes by Indiana Limestone. Urban Hardscapes represents the next wave of premium, durable products from Indiana Limestone Company. This product line is a fantastic addition to any showroom because of its top-notch appearance and nearly limitless breadth of applications. Urban Hardscapes can fulfill any landscaping dream a homeowner, landscape architect, or installation professional can envision.

Small Format Paving

The addition of nine new SKUs gives landscape designers the ability to combine large and small format sizes for maximum versatility. Easily integrated with our slab paver line and combined with other products from Urban Hardscapes, small format pavers echo the beauty of natural Indiana Limestone.

Now available in any of our specialty finishes: Bush Hammer, Wire Brush, and Sandblast/Abrasive.

Also available in new specialty finish.

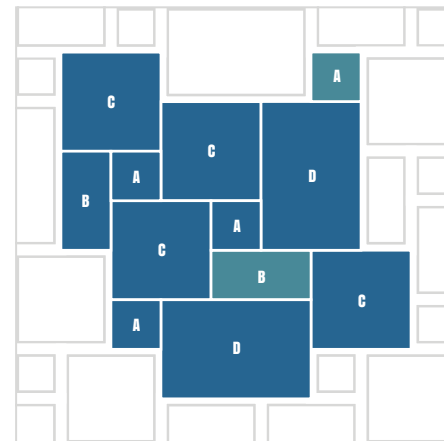

Product Features & Takeaways

Our popular dimensional flagging now is at half the current scale - making it more appropriate for smaller spaces.

Combine slab and small format sizes for maximum versatility.

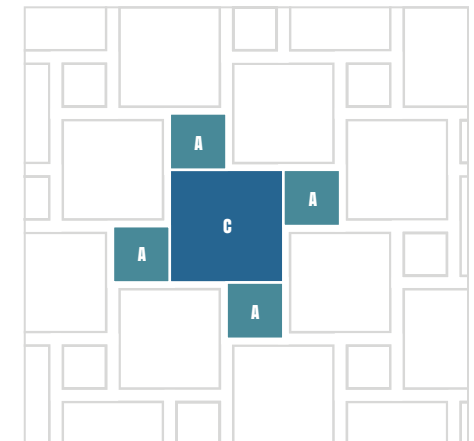

Available in our popular full color blend to coordinate with the entire Urban Hardscapes line.
